“This was a great starting point for us—now we know what we don’t know—we have work to do for the future, and we have the information to get organized. Thank you!”

Tom Burgett

“Four hours in advance seemed an impossibly long time—but you broke it into small enough periods of time so that boredom never crept in and the evening flew by. Gave lots of good “food” for thought!

Sally Middleton

"I have met with three other groups. You by far are the most complete group I have sat in with. Low-key, no high pressure sales attempt, nor did I feel that would come. Your presentation makes it worthy to bring before a church family."
